ABOVE-GROUND AUTOMATIC SAFETY COVER WITH HOUSING

Ideal for renovations, Top Platinum works with **any new or existing pool** and requires no activity in the pool.

Composed of an **aluminium axle** and a customisable **aluminium bench frame** (different colours available), Top Platinum does not take up any space in the pool. It offers a high-end design and many optional extras such as multicoloured LED spotlights, moving rails and solar power. Its engine is located in the aluminium axle and offers **optimal performance** while remaining **silent**.

The **Covrex® Lite** cover is available in different colours and comes with fixed end caps, anti-lift buckles and straps to attach slats to the axle. Available options: the polycarbonate solar slats or the Covrex® Classic slats<sup>1</sup>.
